The Advantages of Working with

Strategically Located

Our facility is ideally located 10-miles from Barbour's Cut Port Houston and is near the I-10 corridor with access to other major interstates in the Houston area.

An estimated 49 million people are served within a 500-mile radius or 8-10 hour drive from our location.

Our Facility

Facility Features

Our facility offers state-of-the-art refrigerated storage across 70,000 sq/ft, with 7 multi-temperature dry and cold storage rooms that can be set as low as 30°F. We utilize a high-tech radio shuttle racking system, 3,500 pallet spaces, and 8 loading docks to ensure efficient storage and distribution. Our WMS-inventory system enables precise tracking of all products in our care. We hold Primus and Organic annual certifications. The facility is currently undergoing a phase 2 expansion that will double our capacity and expand our range of services.

Services

- Logistics services: imports and local logistics, distribution, & final mile delivery
- Refrigerated or dry storage & handling
- Inventory management services
- Cross docking
- Drayage services
- Bagging equipment for multi weight bag options
- Value-add, re-packaging, & labeling
- Quality control inspections
- Container storage with plug-ins

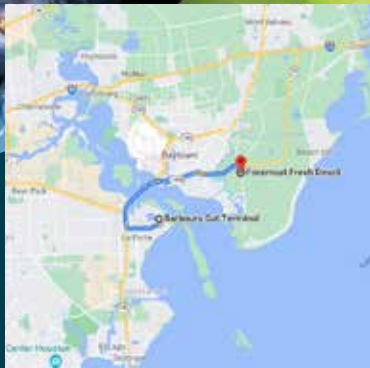

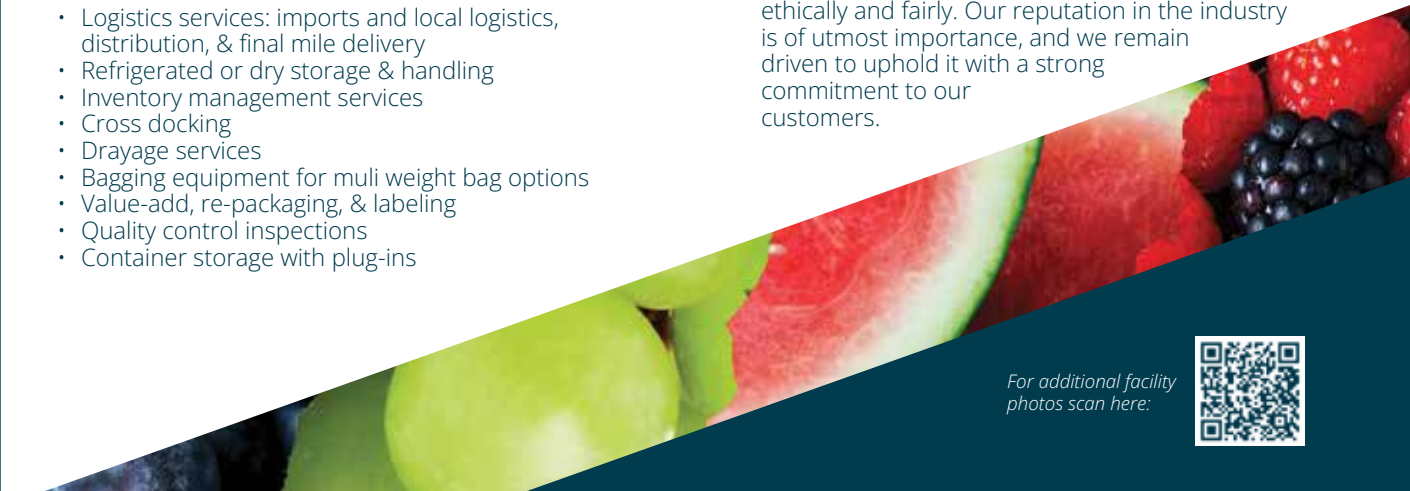

Sales & Sourcing

Fresh Produce Sales & Sourcing

Foremost Fresh Direct offers a basket full of fresh commodities. As a one stop shop for your fresh produce needs, we have a network of vetted national and international growers that provide year-round availability through global seasonality. Our direct from grower programs offer high-quality fruit from key growing regions around the world. Connect with our sales team to make fresh produce happen for your business.

Team Culture

We operate under the values of our sister company PCN, and strive to deliver unparalleled service and fresh produce to our customers. Our team members are held to the highest standards of dedication and excellence, which include conducting operations ethically and fairly. Our reputation in the industry is of utmost importance, and we remain driven to uphold it with a strong commitment to our customers.
